INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Kindly advise this office why your parents were not enrolled with the Eastern Cherokee in 1851.

Why were your grandparents never enrolled with the Eastern Cherokee?

Did your parents ever live with the Cherokee as recognized members of their tribe? Were they admitted to tribal councils?

Did any of your immediate relatives ever share in a payment to the Eastern Cherokee? If so, give their names, and state when and where they were paid.

Were your parents held as slaves? If so, were they owned by White people or Indians?

Respectfully,

Special Commissioner.

Sir;

In reply, will say our
parents were married in 1851
and I do not mean why, they
were not enrolled,

My grandparents on both
sides lived among Cherokee
Indians in Cherokee Co, N.C.
and I am told were recognized
as Indians. Now this is I do
not mean of course, and can
not cite anyone now living who
does mean,

I am sure that any of my
people who received are, payments
were enrolled.

They were never listed as slaves

May 18, 1908.

Charles N. James,
Rockwood, Tenn.

Sir:-

Kindly advise this office why your parents were not enrolled with the Eastern Cherokees in 1851.

Did they ever live with the Cherokees as recognized members of their tribe? Were they admitted to tribal councils?

Did any of your immediate relatives ever share in a payment to the Cherokees? If so, give their names, and state when and where they were enrolled.

Were your parents held as slaves? If so, were they owned by White people or Indians?

Respectfully,

John Miller
Special Commissioner.

Hon. Guion Miller, Special Comr.,

Washington, D. C.

Dear Sir:- Answering question 1 of your inquiry of the 21st.

Inst., "Why was I not enrolled with the Eastern Cherokees in 1851",

I would say that I was only 10 years of age at that time.

Replying to question 2, "Did I ever live with the Eastern Cherokees

as a recognized member of their tribe, and was I admitted to their councils", I would reply that I was raised by my grand mother, a daughter of

Charles Harmon, a Cherokee, and we were known then, and are known now, as descendants of the Cherokees, and were recognized and known as such

by them. My grand mother and I lived among the Harmons and the Dennises, in the 3rd and 7th districts of Overton County, Tenn., but I personally did not attend their tribal councils, being, I suppose, too young. I was never held as a slave, but was reared by and lived with my grand mother, as stated.

Kindly advise this office why you were not enrolled
with the Eastern Cherokees in 1851.

Did you ever live with the Eastern Cherokees as
a recognized member of their tribe? Were you admitted
to tribal councils?

Were you held as a slave? If so, were you owned by
white people or Indians?

Indian:-

Kindly advise this office why your parents were not enrolled with the Eastern Cherokees in 1851.

Did they ever live with the Eastern Cherokees as recognized members of their tribe? Were they admitted to tribal councils?

Were they held as slaves? If so, were they owned by White people or Indians?

Respectfully,

Special Commissioner.

Benjamin H. Garrett,
Cumming, Ga. R.F.D. 5.

Sir:-

Relative to the application of David Watson and others, kindly advise this office why the grandparents of these children were not enrolled with the Eastern Cherokees in 1851.

Did they live with the Eastern Cherokees in 1851.
Did they live with the Cherokees as recognized members of their tribe? Were they admitted to tribal councils?

Were their grandparents held as slaves? If so, were they owned by White people or Indians?

Respectfully,

Special Commissioner.

Appl. #35057

Benjamin L. Garrett being first duly sworn, deposes and says:

My name is Benjamin L. Garrett. I live at Cumming, Ga. I was born in 1853 in Franklin Co., Ga. I was appointed Guardian of the following named minor children, David, Willie, Gertrude and Lillie Watson, by the Court of Hall Co., Ga. The father of the children is in an asylum, and the mother went off and left the children at my home, and wanted me to act as guardian for them. The children claim the Indian blood from their ~~father~~ father and his mother. Their father is 45 years old. Their grandmother was born in Gilmer Co. ~~xxx~~ I don't know where she got her Indian blood. I don't know the name of her mother. I think her father's name was Joe Chapman. I have heard their grandmother say that she had Indian blood in her. I don't know as she ever said what tribe. Nothing only the Cherokee. Their grandmother was recognized as white and lived with the white people. Her father I think was recognized as an Indian. She their grandmother was born and always lived in Gilmer Co., Ga. She died eight or ten years ago. Their grandmother used to talk a lot about her Indian blood, but I cannot say just what she said. ~~xxxxxxx~~ Alice Little, their aunt, has filed an application. Nora Garrett, their aunt has filed an application also Annico Turner. *also Alice Waller & Luke Watson*

REMARKS.

(Under this head the applicant may give any additional facts which will assist in proving his claim.)

Traditional authority says that the Cherokee Indians made the neighborhood of the Estep (my grandmother's maiden name on my mother's side) a trading or stopping place and also that Cornelius Estep (my grandmother's brother's father) was Captain of a Company of Militia about the time of the War of 1812. He was called out to fight in this war 1812 and served a substitute in his place to go.
I solemnly swear that the foregoing statements made by me are true to the best of my knowledge and belief.

Sir:-

Kindly advise this office why your parents or your grandparents were never enrolled with the Eastern Cherokees.

Did they ever live with the Cherokees as recognized members of their tribe?

If they were held as slaves, state whether they were owned by White people or Indians.

Respectfully,

Emma Alice Wallace,

Madam:-

Kindly advise this office why your parents were not enrolled with the Eastern Cherokees in 1851.

Did they ever live with the Eastern Cherokees as recognized members of their tribe? Were they admitted to tribal councils?

If they were held as slaves, state whether they were owned by White people or Indians.

Respectfully,

Special Commissioner.

Rec. MAY 26 1908

Fory Ark 5, 21/08

Dear Sir,

One reason why my parents did not enroll in 1851, is the Cherokee woman married a Whittellian that had property and a home of their own, and my parents had a little home at that time and properly thought it not necessary as they were making a comfortable living.

My parent married into a white family and all ways lived with or among white people and for this reason did not live with his tribe or attend the Tribal Councils.

1084

but was recognized member of
their tribe and Admitted to the
Tribal Councils before they married
into white families as above stated
and then lived with or among
white people ever since.
hoping this will be satisfactory.

Madam:-

Kindly advise this office why your parents were not enrolled with the Eastern Cherokees in 1851.

Did they ever live with the Eastern Cherokees as recognized members of their tribe? Were they admitted to tribal councils?

Were you held as a slave? If so, were you owned by white people or Indians?

Respectfully,

Special Commissioner.

Hon. Guion Miller, Special Commissioner,
Court of Claims, Washington, D. C.

Dear Sir:-

In answer to your letter of May 18th, application 35,086, I beg to state as follows. None of my ancestors were ever slaves or held as slaves

I do not know why my parents, through whom I claim, were not enrolled with the Eastern Cherokees in 1851. They may have been for all that I know. I only know as a matter of fact that they were never removed to the Nation of the Cherokees. In my early child-hood days in Cherokee County, Ga., I have often heard my mother, Betsy Halcomb, through whom I claim, speak of visiting amongst the Cherokee Indians, and of the Indians visiting her family. She spoke of this quite often to us children, but as a matter of fact I do not remember these visits myself. From the talks of my parents it seemed that my mother and grand-father participated in the councils of the Indians. There were a number of Indian families in Cherokee County, Ga., who did not go to the Nation in 1851 and these visited among themselves and were recognized in the community as Indians. Further than this I do not know of anything particularly bearing upon the questions asked.

Respectfully yours,

Witness
J. W. Bachman

Appl. 35088-35086

Mary Kisselburg, being first duly sworn, deposes and says:
My name is Mary Kisselburg. I live at 12 Long Street, Chattanooga. I was born in 1851 in Floyd County, Ga. I claim through my mother and her father. My mother died about 20 years ago and was about 60 when she died. My mother was born in Eastern part of Tennessee. My grandfather on the side through which I claim came from S. C. My mother and grandfather were recognized as mixed people, more Indian. They lived with the white people. I have heard my mother speak about living with the Indians at Jacksonville, Ala. Heard her speak of them making baskets. That is in Calhoun County. My father was a white man. My grandmother was an Irish woman. I have heard them speak of my grandfather living with the tribe. My grandmother claimed some Indian blood too. I don't know where she got her Indian blood. I don't know the names of the Indian ancestors from which my grandfather got his Indian blood. My grandfather wanted my father to go West to the Cherokee Nation said he could have a nice home there. It was about when I was 12 years old. I never heard of my grandfather getting any money or land from the Government. I never heard of my mother or grandfather being enrolled. I claim Indian blood from the Cherokees. I have heard of the Choctaws, Creeks, etc, but my father claimed to be connected with the Cherokees. I have never gotten any money from the Government. In 1882 I was living in Dade County, Ga. I don't know why I was not enrolled with the Cherokees at that time. I put in a claim at that time. I don't know why I was not enrolled. My name was Mary Kisselburg at that time. I never heard of my grandfather taking part in any tribal matters. I don't know whether my grandfather voted or not. My grandfather owned land where he lived. I don't know whether he owned the land before my mother was born.

May 18, 1908.

General Armstrong,

Washington, D.C.

Sir:

Kindly advise this office why your parents were not
enrolled with the Eastern Cherokee in 1851.

Did they ever live with the Eastern Cherokee as
recognized members of their tribe? Were they admitted to
tribe council?

Were you held as a slave? If so, were you owned by

any people or Indians?

Why were you not enrolled with the Eastern Cherokee

in 1851.

Very respectfully,

Special Commissioner.

Appl. #35097-35096

Francis M. Stockstill being first duly sworn, deposes and says:

My name is Francis M. Stockstill. I am not enrolled by the Dawes Commission. I did not apply. I was born in Mo. in 1852. I claim my Cherokee blood through my mother, whose name was Julia Lince before she was married. She was married in Mo. in 1846, I think. She was born in Tenn. She died 13 years ago, and she was about 50 years old. I don't think she ever lived with the Indians. She was never a recognized member of the tribe. My mother must have been born about 1825. She never received any money or land from the Govt. on account of her Indian blood. My grandfather, David Lince, was supposed to be a Cherokee Indian. I could not say whether he lived with the Indians or not. He was Indian descent, but he never lived with the Indians as a member of the tribe. None of my ancestors were ever enrolled.

EXCEPTIONS TO COURT ORDER OF JUNE 10TH, 1909.

Comes now Wilson Cole and excepts to the
order of June 10th, 1909, made by the United States Court of Claims
in the above entitled cause and for grounds of exceptions thereto states:

(1)

That said order was erroneous, in that it omitted from
the Roll of Eastern Cherokees entitled to participate in the fund
arising from the Judgment of the Court of Claims of May 28th, 1906,
the name of Wilson Cole.

(2)

Exceptor further states that his post office address is
Pierce, McIntosh County, Oklahoma, that his age is 68 years.

(3)

Exceptor further states that William Cole is the English
name and William Che-noska is the Indian name of the ancestor through
whom he claims a right to participate in said Eastern Cherokee fund.

(4)

That said William Cole (Che-noska) was sixty-one years of
age in 1851 and died in Myerton, Kentucky, in 1880.

Wherefore, exceptor prays that the order rejecting said
Wilson Cole as a member of said Eastern Cherokee Roll
be set aside and that said Wilson Cole may be
admitted to participate in said Eastern Cherokee fund.

Sir:-

Kindly advise this office why your parents were not enrolled with the Eastern Cherokees in 1851.

Did they ever live with the Eastern Cherokees as recognized members of their tribe? Were they admitted to tribal council?

Why was Peter Davis never enrolled with the Eastern Cherokees? Did he ever live with the Eastern Cherokees as a recognized member of their tribe?

Were your parents sold as slaves? If so, were they owned by white people or Indians?

Respectfully,

Special Commissioner.

If He was Not. Why Not as
I have never heard anything
about the Enrollment.

(Question 5th Did he ever
live with the Eastern Cherokee
as a recognized Member of
their tribe?) well as I have
been handed down to me
by my people and others of
Older Generation than my
Parents who say they know.

Nancy Jane Johnson,

Macedonia, Tenn.

Sir:-

Kindly advise this office why your parents were not enrolled with the Eastern Cherokees in 1851. Did they ever live with the Cherokees as recognized members of their tribe?

Were they held as slaves? If so, were they owned by white people or Indians?

Why were your grandparents, through whom you claim Cherokee blood, never enrolled with the Eastern Cherokees?

Respectfully,

Special Commissioner.

John Johnson being first duly sworn in behalf of his wife, Nancy Jane Johnson, deposes and says:

That I am 66 years of age and live in Mc Minn Co., Tenn. I am the husband of Nancy Jane Johnson. She claims her Indian descent through her father and his ~~mother~~ ~~Her father was 1/2~~ ~~Indian~~ parents. Her grandfather George W. Morgan was an Indian. Her grandmother was Jonnie Hawkins. She was a full Cherokee Indian. Those grandparents were born and raised in Cherokee Co., N. C. The old man died there, I don't know when - before the Civil War, sometime between the Mexican and Civil War. The old lady came to Monroe Co., Tenn. Applicant's father has been dead four years. He was never enrolled. Her father lived with the Indians until they came away from N. C. which was when the old man died. Her grandfather nor grandmother were never in any rolls that I know of. They never had any other names than Hawkins or Morgan. If they had any Indian names I don't know them. I don't know the names of my wife's father's brothers. I don't think he ever had any sisters. My wife is 40 years of age. She has no brothers and sisters. Never had any. My wife is recognized as a white woman but she shows the Indian. There is no Indian blood in me. I am a full blooded white man. I don't know whether applicant's grandmother ever had any brothers or sisters. In Monroe Co., Tenn. there are some witnesses who knew my wife's brothers and sisters. I don't know why applicant's father or grandparents were never enrolled. Don't know when my wife's father was born.

Sir:-

Kindly advise this office why your parents were not enrolled with the Eastern Cherokees in 1851.

Were they held as slaves? If so, were they owned by White people or Indians?

What did your ancestors move from North Carolina to Indiana?

Did your parents ever live with the Eastern Cherokees as recognized members of that tribe? Were they admitted to tribal councils?

They moved from North Carolina to this then to Indiana in 1849.

They never were held as slaves.

Thomas Hill was interpreter for the Indians during their war.

Do not know whether or not he was admitted to the tribal councils.

Thomas Hill lived with the Eastern Cherokees and was recognized as a member of the tribe.

Sir:-

Kindly advise this office why your parents were not enrolled with the Eastern Cherokees in 1851. Did they ever live with the Eastern Cherokees as recognized members of their tribe? Were they admitted to tribal councils?

If they were held as slaves, were they owned by white people or Indians?

Respectfully,

John R. Good,

Buenos, Mo.

Sir:

Kindly advise this office why you and your parents
were not enrolled with the Eastern Cherokees in 1851.

Did you, or your parents, ever live with the Eastern
Cherokees or recognize members of their tribe?

Were you held as a slave? If so, were you owned by
white people or Indians?

Respectfully,

Special Commissioner.

Appl. #35119

John R. Good being first duly sworn, deposes and says:

My name is John R. Good. I live at Duenwig, Mo. I was born in 1851 in Jefferson Co., N. C. I think it was Jefferson Co. I claim through my father. My father's name was Wm. Good. He was born in Tenn. I don't know what part. He died in 1888, and was 74 years old when he died. He moved from Tenn. to N. C. somewhere between 1830 and 1845. He lived with the Indians in Tenn. and N. C. both. He could not tell you whether he was ever enrolled or not. He died in Webb City, Mo. He came to Mo. from Tenn. I think in 1869. In 1835 he was living in Tenn. He was living with the Indians at that time. He lived among the Indians as an Indian. I don't remember him saying anything about the Treaty. He was driven away from Tenn. (Kinston) He never received any money or land from the Govt. on account of his Indian blood as I know of. I could not say why he was never enrolled. I have heard him speak of the enrollment of 1851. I don't remember what he said of it. If he had any name but Wm. Good, I don't remember it. My grandfather's name was Noddy Good. I claim through my great grandmother. My great grandmother's name ~~was~~ I don't remember. My father was living among the Indians that went to the I. T. When we came back from N. C. to Tenn. the Indians had left. He only stayed there long enough to build a boat. I don't remember he ring of the Govt. moving the Indians out west. It seems that I have heard my father speak of a man by the name of Honey Good. My father had one brother and one sister. When my father was driven away from Tenn. he went to N. C. He went with the Indians. There were some few white people living around where my father was living in N. C. and Tenn.

Sir:-

Kindly advise this office why your parents were not enrolled with the Eastern Cherokees in 1851.

Why were your grandparents never enrolled with the Eastern Cherokees?

Were your parents held as slaves? If so, were they owned by white people or Indians?

Did they ever live with the Eastern Cherokees as recognized members of their tribe? Were they admitted to tribal council?

Did any of your immediate relatives ever share in a removal to the Eastern Cherokees? If so, give their names and state when and where they were sold.

Respectfully,

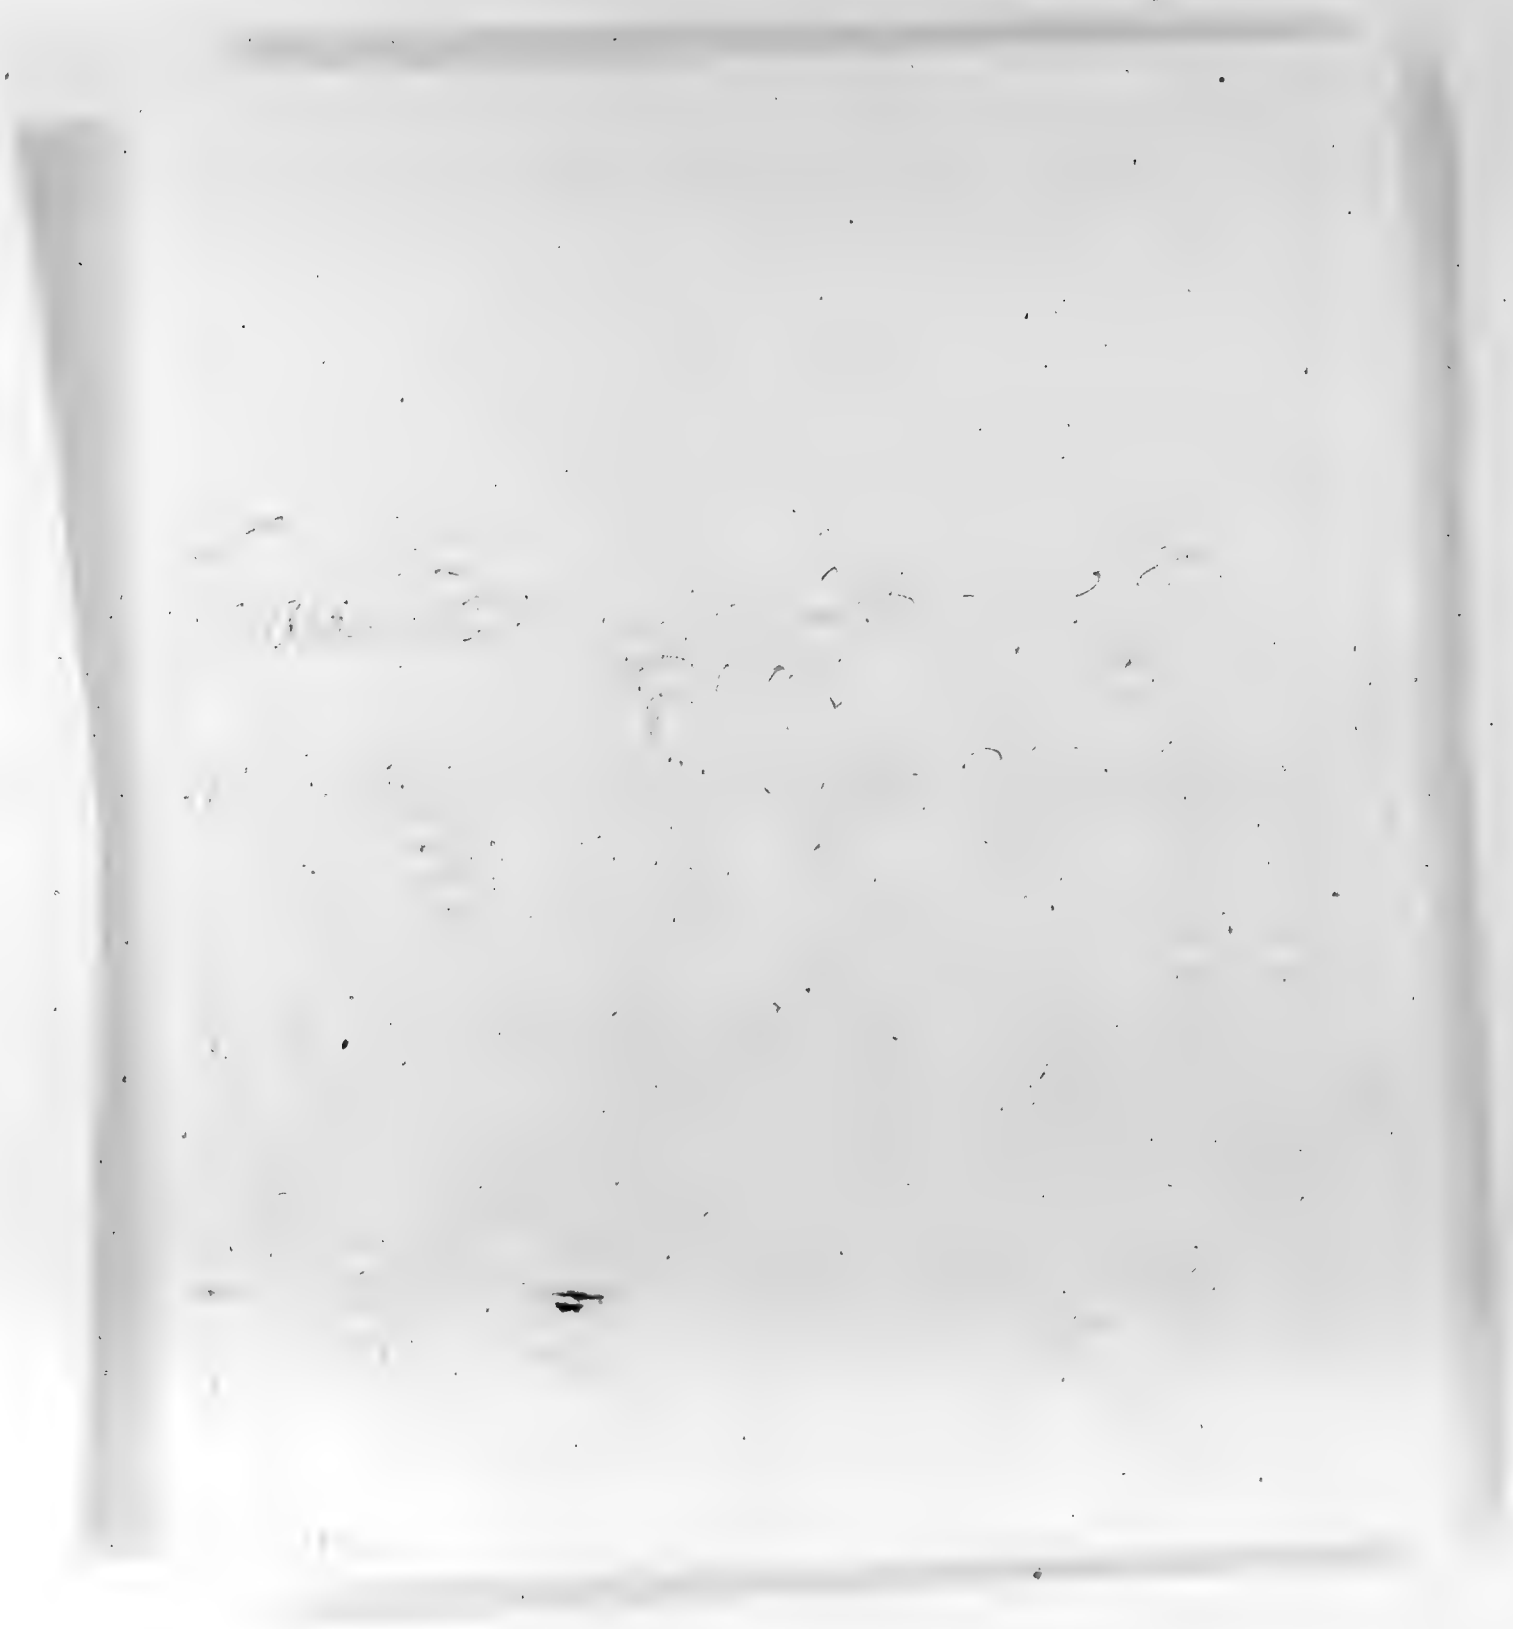

Special Commissioner.

Sir:-

Kindly advise this office why your parents were not enrolled with the Eastern Cherokees in 1851.

Did they ever live with the Eastern Cherokees as recognized members of their tribe? Were they admitted to tribal councils?

Did any of your immediate relatives ever share in a payment to the Eastern Cherokees? If so, give their names and state when and where they were paid.

Were your parents held as slaves? If so, were they owned by White people or Indians?

Respectfully,

No. 35146--35145

Elmeda F. Archer, after being first duly sworn, deposes and says:

I am 51 years of age; was born in Wilson County, Tenn. or Rutherford County, Tenn. I claim Cherokee Indian blood. I have heard most all my life that I had Cherokee Indian blood. I claim my Indian blood through my mother. I have never gotten any Indian money from the government. My mother never got any Indian money that I know of. I never tried for an allotment. I have seen my mother's parents. They lived in Davidson or Rutherford County, Tenn. I saw my great-grandmother in Tennessee when I was a small child. She lived there with my grandmother. My grandmother and grandfather both had Indian blood. After my grandmother some of the connection took my great-grandmother away. I do not know where she is buried. I think she is buried in Davidson County. My mother lived in Rutherford or Wilson County, Tenn. ten years before the war.
